How to play

- Print the cards on US Letter paper and cut along the dashed lines.
- Place the cards face down. One player draws a card and acts it out silently.
- Everyone else guesses. Set a 60-second timer for each turn.
- For younger kids, let a grown-up read the card quietly to the actor.

24 cards included. Best for ages 4-10, family-safe play, classrooms, birthdays, and rainy-day activities.
